

Qualifications

- A doctorate of Veterinary Medicine is required
- The ability to obtain both an Iowa and Minnesota license.

Swine Veterinarian

Spencer Ag is seeking a multi-species veterinary associate with a swine focus to join our dedicated team.

We are growing our large animal practice, mainly focused on swine, beef cattle, and small ruminants, located 25 minutes south of the Iowa Great Lakes in Spencer, Iowa. We serve clients in approximately a 100-mile radius.

Please reach out to Dale Irmiter, Operations Manager at dale@spenceragcenter.com with questions or to apply.

About Us

Spencer Ag Center is multifaceted, consisting of animal health, nutrition, and veterinary services. Comprised of 30 individuals, our team spans several positions from sales and service, logistic experts, delivery drivers to our large animal veterinarians.

At Spencer Ag Center, we are family-oriented and strongly encourage the growth and development of our peers.

We cultivate a positive, energetic work environment while meeting the goals necessary to care for our customer's needs and animal's health.
