

Country Vet® Naturals for High Performance Dogs

Available in 35lb. (15.88kg) bags

If you have a canine athlete, we have the natural formula to keep your dog at the top of his game. Country Vet® Naturals for High Performance Dogs is “dog fuel” for highly active dogs. And, because we know you don’t want corn, wheat or soy, we made Country Vet® Naturals for High Performance Dogs without those fillers. Instead we created a highly digestible dog food that contains 30% protein with 20% fat which means higher kcal per cup. Country Vet® Naturals for High Performance Dogs also contains Glucosamine and Chondroitin to support superior joint health, elevated levels of Prebiotics and Probiotics to support intestinal health and Omega 6 and Omega 3 for healthy skin and hair.

Feeding Guidelines

Highly Active, Athletic Adult Dogs – Food requirements will vary depending on breed, environment, temperature, and stress factors. Highly active, athletic dogs will require an additional amount of food depending on their level of activity. Food intake should be adjusted to maintain optimum body weight. **Puppies** – Country Vet® Naturals Active Dog Formula 30-20 may be fed to puppies at approximately four weeks of age. Introduce dry dog food to puppies by moistening with water. It is recommended that puppies be fed at least three times per day. Adjust feeding amounts according to the guideline below. **Gestating/Lactating Females** – Gestating/lactating females may require additional amounts of food to maintain desired body condition. Adjust feeding rate accordingly. Provide clean, fresh water at all times.

Weight (lbs.)	Daily Amount*	Weight (kg.)	Daily Amount*
Up to 25 lbs.	1/2 – 1 1/2 cups	Up to 11 1/2 kg.	60 – 175 grams
26 – 50 lbs.	1 1/2 – 2 1/2 cups	11 1/2 – 23 kg.	175 – 290 grams
51 – 100 lbs.	2 1/2 – 3 1/2 cups	23 – 45 1/2 kg.	290 – 400 grams
Over 100 lbs.	3 1/2 cups plus	Over 45 1/2 kg.	400 grams plus

Add ½ cup for each 10 lbs. of body weight over 100 lbs. Add 60 grams for each 4 ½ kg. of body weight over 45 ½ kg. *Amounts are based on a standard 8-ounce measuring cup. One measuring cup holds approximately 4.0 ounces of Country Vet® Naturals Active Dog Formula 30-20. **Note:** This product was made in a feed manufacturing facility that does not handle or store products containing animal proteins prohibited in ruminant feed.
